

Theory: Political Choices

LIBBERAL LEFT: Mature, reasonable, caring, permitters; Jubilee, rulers must share the welth; change, freedom, oportunity. equality; taxation, social programs, frendship, tollerance; a helping hand to foreners, children, oldsters, wimmen, handicapd; favoring one's imeediat family & clan; compassion, charity to all, low expectation of performance; burocracy as a training ground & job; guvvernment must care for all; trust & preach Jesus .

CONSERVATIV RITE; Mature, reasonable restrainers; preserving the culture as is; propperty rites, authority, order, the rite of the industrialist to rule & enjoy welth; competition, standards of ability & responsibility; train the yung, vallue class, be a parent; the work ethic; dissiplin, success, loyalty, carefulness, brains, tradition, continuity, no taxes; obey God.

HEATHEN [HEDONISTIC] LEFT: Irresponsible drinking, bullying, gambling, loafing, "Let evryone do wot they want"; anarchy. violent revolution, cruelty, lawlessness, atacks on authority, animal behavior, wor, sexual predation, terrorism.

CORUPT RITE: Selfishness, cruelty, enslavement of others, "To the victor belong the spoils," reaping ware others hav sown, neglect, self-indulgence, greed, wor, sexual predation, terrorism.

Youth at the
Crossroads:
wich way?

The usual first choice for a yung person is the libberal left, in the western 21st century world. However after a time in this position he or she may move in enny of the other directions . All of the abuv 4 cattergorys may appear extrem if unmixd. Most of us arive at a compromise.
