Speaking of Chryst's Possible Lifetims on Erth

Announcing Missiv #101
for December 2009:
Jesus Born Mor Than
Once?

Welcom to my 6th
issue of We Ar The
Living Newsletter!

Hello Frends -

Uzualy my letter beginning "Frends" talks about the Missiv for the month. But this time I am leaving the Missiv tu speak for itself - actualy tu speak for varius religions, not oonly the hebrew-cristian scriptures, wen they discuss re-incarnacion.

Insted I giv u belo sum further informacion in anser tu mor personal questions peeple raiz. Even old hands hu hav been with me for years may fynd sumthing new below.

SELLING:

2 new workbooks will be available soon for sale, one based on PLEA and the other on Brevity, my keebord-frendly shorthand. My prints continue tu be offerd on the website, with sum changes ahed.

PERSONALY SPEAKING:

My job for years has been to balance my paranormal contact with my erthly life. On erth I hav been a scool teacher [MA in psychology, ESL, prescool, Montessori], been an artist and art teacher [Victoria, B.C.], dun freelance riting, compozed songs & taut music, now take care of 4 tenants in my California home on an acre of suburban property, help with the Spelling Society, run this website and keep in close tuch with my beloved children and 4 grandchildren. Is thare enithing mor I cud du tu sho I am not crazy? Beleev me I am mentaly competent, & not deluded.

If u hav lately been reading about the career of USC psychiatry professor Elyn Saks, my life has been rather like hers. Like her I hav managed to deal with erthly requirements amid a torrent, at times, of mental input that appears to cum from sumware else.

Beleev me, it dus cum from sumware else. I can tel u a lot, and I also hav advice to giv about coping with it, for ennyone who needs it. That, along with much other interesting and fun content, is wot my website is about. And u wil not be pressured to buy ennything....it's all free.

Nearly 200 frends ar alredy receeving my monthly Missivs...menny of them since 2002 wen I started sending them out, befor establishing the website this year.

Karen, my asistant, owner of [Focus One Design](#), & I woant sel or pass along yur informacion to others without consulting u first.

I mite mention yur first name sum time, tho, if u rite sumthing & I wish to quote u. Let me kno enny time u want wot u say kept pryvat...I du tend to quote peeple.

U wil receev once a month, free, the Newsletter, with news of our activities and a link to the website, We Ar the Living. On the website U fynd a monthly Missiv containing a digest of material that has cum thru from heven - and sumtimes from one or mor of the hels - wich I share with u, my erth contacts, as a foren correspondent between heven and erth.

INFORMATION ON THE WEBSITE:

Primarily I want thru this site to share the contacts I hav had for the last 40 years with wot ar commonly calld Voices. I am far from crazy. But one who hears voices is definitely dealing with craziness. It's hard to get past the craziness; but once past it there is a real world of intelligent beings Out Thare, ranging from very amiable to very hostile, and from humans with soals to recordings based in masheens, with varius haf-awake spirits and robotic types in between. They discuss all sorts of interesting things, sum of wich I cud never hav imagind with or without drugs - wich I hav never uzed.

They also produce fizical results in my erthly boddy, wich ar of sum interest too.

I hav continually recorded in riting the rezults of these otherworld contacts. Menny years ago I axepted the invitation of the apostle Paul in the Bible to pray for & cultivate the gift of proffecy [1Cor.14:1]. Not yet having publishd a book on the subject, this website has becum my outlet.

SLYVIA HOLLAND:

My mother, Sylvia Holland, workd among other things as a story artist for Walt Disney. She is also featured on the website, along with samples of her art work & my own.

BALINESE:

We also present info about the beutiful, intelligent Balinese cats wich Mother developd, now available from a devoted group of breeders in their original longhaird form.

BLOGS:

Next month I hope tu tel u about sevral blogs tu wich I belong, & provide links tu them.
